# NEWSLETTER SPRING 2020

## JAN - FEB - APR

Happy New Year! 2019 was a year where we lost some friends but were lucky enough to gain some new ones that we will bring with us into 2020.

Last year was a rollercoaster of some great successes for the club, with some sad moments mixed in. We lost our treasured Chairman David Browett at the beginning of the year and his funeral took place in the Pullman Suite. A first, especially in the Peterborough area, to host a funeral within such a setting, his wake was a fitting tribute to the man who dedicated his life to the club.

Thankfully the Parkway has had a lot to celebrate this past year too. Early on in the year we were nominated as a club at the Social Media Awards in London and then in November WON Sports and Social Club of the Year 2019 at the National Club Awards in Doncaster. Two events which we have represented the club on a national level and networked with some truly brilliant people.

That isn't the only thing that happened in the club this year. The Mallard Suite had a face lift in the early months which led to an online competition to hire the room going viral! Not only that, a Sky Sports package is a welcomed edition into the club now allowing us to show some of the most important sporting

events throughout the year. Fitting as we have doubled our sports teams in the club creating a hub of activity mid-week. With extra dart boards and new pool table facilities introduced to the Pullman Suite, the Parkway really has transformed itself for its members and guests.

To round off the year we had a defibrillator installed outside the club for use in the surrounding community. We hope that we never have to use it but it is such a weight lifted to know if anyone was in dire need, a fantastic piece of life saving kit is not far away. The defib kit was unveiled by Jimmy Cricket, who blessed our stage in November, alongside the Brotherhood Foundation and Malcom and Helen from Stage Door Events who have been fundraising for this amazing kit to be at the club.

We would like to thank every single person who has supported and contributed to the successes of the club this past year. We hope that you continue to do so! Looking forward to 2020 we can see it is going to be a bumper year. This year is the 25th Anniversary of the Parkway Club so keep your eyes peeled for some exciting celebrations that we have in store!

- The Team
