NEWSLETTER SUMMER 2019 APR - MAY - JUN

Well, we have been busy in these last few months! Some of you may have noticed that our Mallard Suite has had a complete make over. To celebrate this we had a competition on Facebook for two free room hires, this reached an astounding 17,000 people online and introduced the Parkway to so many new people!

In the coming months we have some exciting things happening! The Parkway has been doing brilliantly recently in terms of attracting new members to the club and hosting a variety of events. In the coming months we want to continue the success of the club and boost the profits leading into the summer months with a few private functions. We

understand the importance of the club to our members that regularly attend our Saturday night and Sunday night events and have therefore put on some entertainment on alternative days or times to make sure you are still catered for.

As always, any questions or queries please don't hesitate to talk to any of the committee or staff.

- Aaron Parker

2019 outdoor bowls season will commence and the green will open from Easter weather permitting. The club will be running three mid week league teams and an over 55 Tuesday league team. Once again the green will be hosting several ladies and gents county games and county friendlies. We are also hosting the Bowls England Regional finals on Sunday 14th June 2019 with teams being represented from all around the Eastern Region in the Under 25 White Rose national competition.

If you would be interested in having a go please do come along and watch, with the bowls section boasting a large number of past and present ladies and gentleman junior and senior internationals who would be pleased to introduce you to the game. Look forward to seeing you during the season.

- Bob Morton
